Guidelines and conditions

1. The small acreage drainage projects funding is provided for in the agricultural drainage budget, which is subject to the annual approval of the Leduc County budget.
2. Funding may be provided to eligible landowners for small drainage projects that affect Leduc County road ditches, roads and private drainage. Each approved project should alleviate ponding along roads or create a benefit to the property and shall not negatively affect neighbouring properties.
3. Projects must be initiated by the landowner(s) and should include an estimate of cost. Approved projects may be eligible to receive 60% funding to a maximum of \$750.00 per individual applicant. All sums in excess of \$1,250.00 are to be paid by the landowner unless otherwise agreed to by Leduc County.
4. All projects must be approved by the Agricultural Service Board.
5. The landowner(s) must obtain the required permit(s), approval(s) and easement(s) for the project(s), unless otherwise agreed to by Leduc County, including but not limited to:
 - i. Projects must receive approval of Alberta Environment, Water Administration
 - ii. Any work necessary within Leduc County right-of-way must have the approval of and be performed/ supervised by the Leduc County Public Works and Engineering department
 - iii. Alberta One-Call location clearances must be obtained
6. Responsibility for all fence removal and/or reconstruction and the disposal of brush remains with the landowner(s).
7. After completion of work, and acceptance of the completed project by Leduc County, the landowner may make an application for a grant of up to \$750.00 (60% portion of the total actual expenditure).
