

Receive invoices via email

Leduc County customers have the option to receive their invoices via email. This will reduce the time it takes to receive invoices and will allow customers to keep a digital archive of their past invoices.

Please keep in mind that by choosing to receive invoices via email, you will no longer receive a paper copy of the invoice.

If you are interested, please fill out the form below and return to Leduc County's Finance department in person, by email, mail or fax.
