

**Policy statement**

Leduc County will act in accordance with its legislated responsibilities under the Province of Alberta *Weed Control Act* and provide a program to assist Leduc County property owners in control of prohibited noxious weeds and noxious weeds along private fencelines/headlands adjacent to municipal roads at no fee for service.

**Definitions**

*Noxious weed* means a plant designated in accordance with the Province of Alberta *Weed Control Act* and *Weed Control Regulation* as a noxious weed and includes the plant's seeds.

*Prohibited noxious weed* means a plant designated in accordance with the Province of Alberta *Weed Control Act* and *Weed Control Regulation* as a prohibited noxious weed and includes its seeds.

*Integrated vegetation management* means a systematic decision-making process that uses multiple methods of control to prevent unwanted plant species from becoming a problem.

*Property owner* means the person responsible for a property who

- is the legal owner of it,
- has lawful possession of it, or
- has the right to exercise control over it

**Policy authority**

*Legislative implications:*

- Province of Alberta *Environmental Protection and Enhancement Act*, RSA 2000
- Province of Alberta *Weed Control Act and Weed Control Regulation*
- Alberta Environment Pesticide Service Registration – Industrial Approval
- Pest Management Regulatory Agency – Health Canada under the *Pest Control Products Act Standards*
- Province of Alberta *Freedom of Information and Protection of Privacy Act*, RSA 2000

**Policy standards**

1. Control the spread of prohibited noxious weeds and noxious weeds in difficult to manage areas on private property adjacent to Leduc County road right-of-ways as conditions permit, with written permission by the property owner.
2. Carry out responsible herbicide application according to product label and by exclusively using selective herbicides registered through the Pest Management Regulatory Agency – Health Canada under the *Canada Pest Control Products Act*.
3. Herbicide applications will be performed only by pesticide applicators who have been trained in accordance with the Province of Alberta *Environmental Protection and Enhancement Act and Regulation*.

Approval date	April 22, 2025	Motion number	82-25	Page 1 of 2
