Policy standards

1. The county manager, or their designate, is authorized to approve extension requests to the one-year subdivision endorsement period when all of the following conditions have been met:
 - Where the request is accompanied by the required fee as set out in the Fees and Charges Bylaw approved by Council.
 - Where the applicant/landowner has provided a written response clearly outlining the reasons in support of the extension request.
 - Where there has not been a substantive change to an Approved Statutory Plan (MDP, ASP, etc.), Land Use Bylaw, policy or a change to provincial legislation, that renders the existing approval not in alignment with the approved statutory plan.

- Where the extension is for a maximum of one (1) additional one-year period for a total approval period of two (2) years from the date on which the original decision was made by the appropriate authority.
- 2. Administration will refer an extension request to Council if the request does not meet the requirements of this policy.
