

**REGULAR COUNCIL
MEETING AGENDA
Monday, July 23, 2018**

1. **ORDER – 1:30 p.m.**
2. **ADOPTION OF AGENDA**
3. **ADOPTION OF PREVIOUS MINUTES**
- Regular Council Meeting – July 3, 2018 √
4. **1:30 p.m. - PUBLIC PRESENTATIONS**
 - a) Public
 - b) Staff Introduction – Candida Pettigrew, Admn. Asst., PW&Eng. Des Mryglod
5. **DEPARTMENT REPORTS / RECOMMENDATIONS**
 - a) 1:35 p.m. Public Works & Engineering
 - i) Funding Request – Asphalt Repairs √ Des Mryglod
 - ii) Range Road 32 – Dust Suppression √ Des Mryglod
 - iii) Policy PG-01 Application of Gravel √ Des Mryglod
 - b) 1:45 p.m. Parks & Recreation
 - i) Warburg Arena Redevelopment – Project Update √ Dean Ohnysty
 - c) 1:50 p.m. Sponsorship Requests
 - i) Magic of Lights √ Dean Ohnysty &
 - ii) Capital Gateway Beautification Foundation √ Rick Thomas
 - d) 2:00 p.m. Planning & Development
 - i) 2:00 p.m. Public Hearing – Regulating Cannabis Uses – Leduc √ Colin Richards
County Land Use Bylaw 7-08 and New Sarepta Land Use Bylaw
216
 - ii) Direct Control Development Permit Application D18-138 – √ Colin Richards
Genetics Research Facility with Warehouse, PlanWorks
Architecture Inc.
 - iii) Direct Control Development Permit Application D18-116, √ Greg McGovern
Propane Tanks - Lot A, Plan 2168NY, Pt. NE 10-49-1-W5, Kelly
Knull, 5 Star Propane Ltd.
 - iv) Bylaw No. 20-18 (3rd Reading) - Amendment to Leduc County √
Land Use Bylaw No. 7-08 – LA18-004, Agricultural (AG) to
Industrial/Agriculture Resource (IAR) District, J. Gunsch
 - v) Edmonton Metropolitan Region Board Update Grant Bain

REGULAR COUNCIL MEETING AGENDA
Monday, July 23, 2018

6. NEW BUSINESS

- a) Appointment of Leduc County Inspector

√

7. COUNCILLOR COMMITTEE REPORTS

- a) 2018 FCM Conference Review

Mayor Doblanko
Councillors Wanchuk
& Belozer

8. INFORMATION ITEMS

- a) Summary of Mayor and Councillor Activities – June, 2018

MISSION: To provide quality municipal services to citizens within Leduc County.

MINUTES OF THE REGULAR COUNTY COUNCIL MEETING, LEDUC COUNTY, HELD ON MONDAY, JULY 23, 2018 IN THE COUNCIL CHAMBER OF THE COUNTY CENTRE BUILDING, NISKU, ALBERTA.

Order and Roll Call

The meeting was called to order at 1:30 p.m., Monday, July 23, 2018 by Mayor Tanni Doblanko as Chair with Council Members Rick Smith, Kelly-Lynn Lewis, Kelly Vandenberghe, Larry Wanchuk, Ray Scobie and Glenn Belozar present.

Also present were:

- Duane Coleman, County Manager
- Renee Klimosko, General Manager of Financial and Corporate Services
- Grant Bain, Director of Planning & Development
- Lynn White, Recording Secretary
- Des Mryglod, Director of Public Works & Engineering
- Dean Ohnysty, Director of Community Services
- Candida Pettigrew, Administrative Assistant, PW&E
- Lindsay Chambers, Communications Coordinator

Present as well were two other individuals.

Agenda Adoption

295-18 Councillor Belozar -- that the agenda for the July 23, 2018 Regular County Council meeting be adopted as circulated.

Carried Unanimously

Previous Minutes - Regular Meeting – July 3, 2018

296-18 Councillor Wanchuk -- that the July 3, 2018 regular meeting minutes be confirmed as circulated.

Carried Unanimously

Public Presentation

Mayor Doblanko asked if there was anyone in attendance to provide a public presentation, and there was no one.

Staff Introduction

The following staff was introduced to Council Members:

- Candida Pettigrew, Administrative Assistant, Public Works & Engineering

Ms. Pettigrew

Ms. Pettigrew exited the Council Chamber at 1:31 p.m.

Funding Request – Asphalt Repairs

Mr. Des Mryglod, Director of Public Works & Engineering, provided a staff report requesting funding for Asphalt Repairs.

297-18 Councillor Scobie -- that Leduc County Council allocate up to \$217,000 from the Operating Stability and Contingency – Contingency reserve to address the shortfall in necessary asphalt repairs in the County paved roadway network if appropriate savings are not available in the 2018 Public Works and Engineering budget at year end.

Carried Unanimously

Ms. Chambers

Ms. Chambers exited the Council Chamber at 1:37 p.m.

Range Road 32 – Dust Suppression

Mr. Des Mryglod, Director of Public Works & Engineering, provided a staff report requesting that Leduc County pay for the application of MC250 oil on Range Road 32.

Mrs. Haverland; Mr. McGovern, Mr. Richards and Three Individuals

Mrs. Charlene Haverland, Manager of Development Services; Mr. Colin Richards, Team Lead, Development; Mr. Greg McGovern, Planner 1, and three individuals entered the Council Chamber at 1:54 p.m.

298-18 Councillor Scobie -- that Leduc County Council approves payment of \$31,128.42 for the application of MC250 oil on Range Road 32 southerly for 1,000 meters from the intersection of Township Road 511A & Range Road 32, with the funding from the Community Aggregate Payment Levy reserve.

Carried Unanimously

Mr. Desimone

Mr. Dave Desimone, Senior Planner entered the Council Chamber at 2:00 p.m.

Policy PG-01 Application of Gravel

Mr. Des Mryglod, Director of Public Works & Engineering, provided a staff recommendation to adopt Policy PG-01 Application of Gravel.

299-18 Councillor Lewis -- that Leduc County Council approves Policy PG-01 Application of Gravel.

Carried Unanimously

Mr. Mryglod and Mr. Ohnysty

Mr. Mryglod and Mr. Ohnysty exited the Council Chamber at 2:02 p.m.

Public Hearing – Proposed Amendment to Leduc County Land Use Bylaw No. 7-08 – Regulating Cannabis Uses – Leduc County Land Use Bylaw 7-08 and New Sarepta Land Use Bylaw 216

Mayor Doblanko convened the Public Hearing at 2:02 p.m. with respect to the proposed amendments to the Leduc County Land Use Bylaw 7-08 and New Sarepta Land Use Bylaw 216.

Mayor Doblanko called upon Administration staff to provide background information.

Mr. Colin Richards, Team Lead Development, provided a staff report with respect to the proposed amendments to the Leduc County Land Use Bylaw 7-08 and New Sarepta Land Use Bylaw 216 to regulate cannabis uses, highlighting the following:

- The proposed bylaws were drafted by the Development Authority following a series of meetings and discussions held by the County's Cannabis Work Group that was established by

JP

Council in 2017, drawing on the expertise of all the County's departments in order to address the proposed legalization of Cannabis.

- As well as strategizing for the legalization internally, the County also undertook an extensive public consultation campaign in early 2018 in order to gauge the opinions, desires and impacts of land use planning for Cannabis from the County's residents, businesses and prospective business owners.
- County staff have also attended a number of various Cannabis advisory sessions and seminars in order to strengthen the County's understanding and best practices of planning for Cannabis within a municipality.
- At present, there are no Cannabis-specific regulations within the Leduc County and New Sarepta Land Use Bylaws that would allow any Cannabis related uses to be properly considered and appropriately regulated.
- The proposed amendments will provide for a number of definitions for Cannabis related terms and land use types and make provision for those uses as either permitted or discretionary uses in appropriate land use districts. A number of specific Cannabis land use regulations will also be placed into the Land Use Bylaws in order to provide clarity on the implementation of the new uses.
- Referral comments included:
 - The Public Hearing was advertised in accordance with the provisions of the Municipal Government Act.
 - With regard to responses from County residents, the proposed amendments did not receive any objection, however, received one letter requesting that Council consider allowing small-scale recreational growing facilities, such as 'micro-cultivation' and 'micro-processing' within the County's defined Country Residential (RC) District. The reason for this request is to allow small Cannabis businesses to operate from their residential properties with minimal disruption to neighbouring landowners, benefiting those who already have a federal license to grow personal medicinal Cannabis on a residential property.
 - In response to this, the Planning & Development Department do not consider at this time that the inclusion of 'Cannabis Production Facility' within the Country Residential land use district would align with the district's intent of being a primarily residential land use. It is acknowledged that the federal government are amenable to the creation of micro-cultivation facilities for cannabis, which would allow smaller growers to participate in the industry. However, the County's opinion of this is that the intent is to allow for smaller businesses to be considered in appropriate locations zoned for business, rather than for municipalities to consider growing facilities on residential parcels.
 - Administration are of the opinion a proposal such as this be formally considered through a separate public hearing process. The request deviates from the County's intent and advice to residents throughout this process that all cannabis related land uses are proposed to be restricted in any of the residential land use districts.
 - With regard to responses from stakeholders, one response was received from Alberta Health Services (AHS). AHS recommend that the County consider the following:
 - Limiting the overall number of Cannabis stores that the County will allow.
 - Implementing a 300-500 metres setback requirement between Cannabis stores.
 - Implementing a 300 metre setback from schools, daycares and community centres.
 - Implementing a 100 metre setback of cannabis retail stores from tobacco or liquor stores.
 - Restricting operational hours during early mornings and late at night.

- In response to the above, the County understands that these requests are made with the intent of taking a precautionary approach to the implementation of Cannabis related uses. At this time, however, it is recommended that any restrictive regulations that are proposed are only done so in accordance with provincial requirements of the Alberta government. Any regulations adopted by Council will be closely monitored and continually reviewed based on any successes or failures. Should any issues come to fruition regarding the minimum provincial requirements which are proposed within the bylaws, the County can consider strengthening these at any given time.
- In summary:
 - In order to respond to the federal government's proposed legalization of Cannabis across Canada, County Administration have proposed draft amending bylaws for the Leduc County Land Use Bylaw 7-08 and New Sarepta Land Use Bylaw 216 in order to define a number of Cannabis related land uses and regulate their implementation within Leduc County and New Sarepta.
 - Amending the Land Use Bylaws to consider Cannabis related uses will allow the County to begin accepting and processing applications for these types of uses in appropriate districts.
 - In summary of those proposals, the key aspects of the amendments will seek to define a range of Cannabis related terms and uses as well as defining appropriate districts for each Cannabis use type. The amendments will direct Cannabis production facilities toward districts within defined business and industrial areas only and also allow Cannabis retail stores within these areas as a permitted use. Cannabis retail stores will be considered as a discretionary use within any urban centre style district or districts close to residential developments.
 - Other key proposals within the amendments include prohibiting any type of Cannabis related use from agricultural parcels and establishing setbacks of Cannabis uses from parks, schools and healthcare facilities to reflect the minimum provincial requirement of 100 metres.
 - With regard to setback distances between Cannabis sales stores, it is not recommended that the County consider these at this time. The reasoning behind this is not to unnecessarily hinder development without valid evidence to suggest that separation distances are warranted. It is considered that the best course of action in this regard is to monitor development permit patterns, and should the County notice a detrimental clustering of these use types, the Development Authority could bring forward an amendment at that time to Council to address any concerns should they arise.
 - The proposed amendments appropriately respond to the envisaged Cannabis land use types that are sought within the County and provide appropriate development controls in order to properly regulate those uses in accordance with provincial guidance and without creating any detrimental impacts on any surround land uses.
 - As a result of the above, the Planning & Development Department recommend that Council provides first, second and third readings to the proposed bylaws to amend the Leduc County Land Use bylaw 7-08 and New Sarepta Land Use Bylaw 216.

Mayor Doblanko asked if there was any additional correspondence received, and Mr. Richards advised there was none.

Mayor Doblanko asked Council Members if they had any questions for Administration.

In response to questions by Council Members, the following information was provided:

- Greenhouses and Plant Nurseries definitions are part of New Sarepta Bylaw, not Leduc County Bylaw.
- The City of Edmonton implemented a larger distance between stores as they have larger concentrations. Leduc County has lower concentrations.
- The number of stores can be limited through the development permit process.
- Number and location of cannabis outlet licenses are based on recommendations and guidelines of the Province.
- Marijuana sales and liquor sales must be kept separate. However, if you have a multi-bay facility there could be a cannabis store and a liquor store in the same complex as long as there is separation between the businesses.

Mayor Doblanko called upon anyone in attendance to speak to the proposed amendments to Land Use Bylaws 7-08 and 216, respectively.

The following individual spoke to the proposed amendments:

- 1) Irene Donohue, Looma Estates.
 - Made application for micro-processing license; have concerns that Leduc County is not including a provision within the country residential district in the Bylaw.
 - Concerns that a big facility would be inhibiting for neighbors are unfounded.
 - Question why are facilities for micro-cultivation and micro-processing purposes being excluded.
 - As a small business owner, concerned that no home based business can be for cannabis or cannabis use.
 - Am a cannabis consultant.
 - Cannabis is a plant not an industrial commodity.
 - There was a time when the Canadian government paid farmers to grow hemp prior to prohibition.
 - Micro-production facilities are limited in space e.g. 2100 square feet. There are bigger greenhouses than this and micro-processing businesses operate very similarly.

Mayor Doblanko asked if there were any further questions by Council Members for clarification.

In response to a question by a Council Member, Mr. Richards advised of the following:

- Standard conditions can be added to permit approvals to deal with odors, noises, etc. If neighbors have complaints, then Leduc County could pursue it as an infraction under the approval process.
- Micro-cultivation concept is new; the Federal Government has discussed it; don't believe there is anything specific put into the Cannabis Act.
- Information from the Federal Government allows small businesses to get a license without jumping through the same hoops as larger manufacturers.

Mayor Doblanko asked if there were any final comments by administrative staff, and there were none.

Conclude Public Hearing

Mayor Doblanko concluded the Public Hearing at 2:30 p.m.

Proposed Amendment to Leduc County Land Use Bylaw No. 7-08 – Regulating Cannabis Uses – Leduc County Land Use Bylaw 7-08 and New Sarepta Land Use Bylaw 216

300-18 Councillor Smith – that consideration of bylaws to the Leduc County Land Use Bylaw 7-08 and New Sarepta Land Use Bylaw 216 for Regulating Cannabis Uses, be referred back to Administration for further clarification on Alberta Health Services recommended guidelines.

Carried Unanimously

Two Individuals and Mr. Desimone

Two individuals and Mr. Desimone exited the Council Chamber at 2:44 p.m.

Mr. Ohnysty

Mr. Ohnysty, Director of Community Services, entered the Council Chamber at 2:45 p.m.

Direct Control Development Permit Application D18-138 – Genetics Research Facility with Warehouse, PlanWorks Architecture Inc.

Mr. Colin Richards, Team Lead Development, provided a staff report with respect to Development Permit Application D18-138 by PlanWorks Architecture Inc. for a proposed development within the Direct Control District on Pt. NW 7-50-24-W4, Plan 1124833, Block 1, Lot 1, ±10.2 ha (±25.3 ac) for a Genetics Research Facility with Warehouse.

301-18 Mayor Doblanko -- that Leduc County Council approves Development Permit Application D18-138 by PlanWorks Architecture Inc. for the proposed Genetics Research Facility with Warehouse on Pt. NW 7-50-24-W4, Plan 1124833, Block 1, Lot 1, ±10.2 ha (±25.3 ac) subject to the following conditions:

1. Approval is granted based on the information provided by the applicant for approved development only and no other development.
2. The approved development shall be located as shown on the approved Site Plan: DP1.1, dated June 8, 2018.
3. Approval is granted for a period up to March 24, 2021 in accordance with the provisions of Direct Control District DC-011. Prior to this date, should the site be redistricted to an alternative, permanent district that supports the approved use, in accordance with the provisions of the Northwest Saunders Lake Area Structure Plan, this condition may be removed.
4. Approval shall be obtained from Leduc County Public Works and Engineering prior to connection to any County water and/or sewer lines.
5. Lot grading shall be provided in accordance with the approved Site Grading Plans: C200 & C201, dated June 7, 2018, unless a new lot grading plan is submitted and approved by Leduc County Public Works & Engineering prior to commencement of this project.
6. The approach must be maintained to avoid any damage to the County owned road surface due to construction activity. A post development inspection will be conducted and the applicant/landowner must rectify any damage to the approach or County roadway.
7. All portions of the site being utilized for industrial activity or vehicular movement that are not landscaped shall be paved and/or graveled to reduce dust generation.
8. There shall be no outdoor storage of goods, products, materials or equipment permitted within a required setback.
9. No use or operation shall cause or create any significant impact or nuisance during normal operation which, in the opinion of the Development Authority, may be objectionable beyond the boundary of the site which contains it, by way of but not limited to the following:

JD

- i) odorous and/or toxic matter
 - ii) dust, fly ash or other particulate matter
 - iii) noise
 - iv) vibrations
 - v) air pollution
 - vi) industrial waste
 - vii) water quality deterioration
 - viii) groundwater quality or quantity deterioration
 - ix) glare
 - x) radiation emission
 - xi) high brightness light source
- 10. The movement of construction material onto the property may require the applicant to enter into a Road Use Agreement with the County. The applicant must contact Public Works and Engineering prior to the movement of construction material to discuss this requirement.
 - 11. The development shall not cause any adverse drainage impact on adjacent properties or flooding of nearby ditches in excess of their capabilities.
 - 12. The site shall be maintained in a neat and orderly manner including the containment of all construction materials and refuse, to the satisfaction of the Development Authority.
 - 13. All new accesses, approaches or upgrades, including driveways required off of a Leduc County public roadway, as a result of the development shall first require an Access Application to be provided to the satisfaction of, and approved by Leduc County Public Works and Engineering.
 - 14. Any freestanding signage related to this development requires the approval of Leduc County through a separate development permit application.
 - 15. The applicant/landowner shall provide fire fighting access at all times to the satisfaction of Leduc County Fire Services.
 - 16. Parking shall be provided in accordance with the provisions of the Leduc County Land Use Bylaw and as indicated on the approved site plan.
 - 17. Landscaping shall be completed in accordance with Landscaping Plans: L1 & L2, dated May 31, 2018, within 30 days of completion of this project unless a seasonal variance is requested and approved by the Development Authority.
 - 18. The applicants and/or landowners are responsible for the survival and maintenance of all landscaped areas for a period of two years after installation. Any vegetation that does not survive shall be replaced at the expense of the applicants and/or landowners.
 - 19. No Cannabis related activities, such as the growing of Cannabis, may occur at the approved development prior to receiving the required federal licenses to do so at this location. A copy of the required authorization shall be provided to the County upon issuance.
 - 20. No outdoor sandblasting or spray painting of any kind shall be permitted on site.
 - 21. No further development, expansion or change in use is permitted unless approved by Leduc County.

Sponsorship Request – Castrol Raceway Magic of Lights

303-18 Councillor Smith -- that Leduc County Council deny the request for sponsorship for the Castrol Raceway Magic of Lights display.

Carried

Pro: Mayor Doblanko and Councillors Scobie, Belozar, Wanchuk, Lewis, and Smith
Con: Councillor Vandenberghe

Request for Sponsorship– Capital Gateway Beautification Foundation

304-18 Mayor Doblanko -- that Leduc County Council not support the Capital Gateway Beautification Foundation Initiative.

Carried

Pro: Mayor Doblanko and Councillors Scobie, Belozar, Wanchuk, Lewis, and Smith
Con: Councillor Vandenberghe

Mr. Ohnysty

Mr. Ohnysty exited the Council Chamber at 3:09 p.m.

Recess

The meeting recessed at 3:10 p.m. and reconvened at 3:15 p.m. with Mayor Tanni Doblanko as Chair and Council Members Rick Smith, Kelly-Lynn Lewis, Kelly Vandenberghe, Larry Wanchuk, Ray Scobie and Glenn Belozar present.

Also present were:

- Duane Coleman, County Manager
- Renee Klimosko, General Manager of Financial and Corporate Services
- Grant Bain, Director of Planning & Development
- Lynn White, Recording Secretary
- Colin Richards, Team Lead Development
- Greg McGovern, Planner 1
- Charlene Haverland, Manager of Development Services
- Dave Desimone, Senior Planner

Present as well were two other individuals.

Direct Control Development Permit Application D18-116 – Accessory Building (46.6 sq.m) Propane Tank (23,200 gallons) on Lot A, Plan 2168 NY, Pt. N.E. 10-49-01-W5, Kelly Knull, 5 Star Propane Ltd.

Mr. Greg McGovern, Planner 1 provided a staff report with respect to Development Permit Application D18-116 by Kelly Knull, 5 Star Propane Ltd. for a proposed development within the Direct Control District on Lot A, Plan 2168 NY, Pt. N.E. 10-49-01-W5.

305-18 Councillor Belozar -- that Leduc County Council approves Development Permit Application D18-116 by Kelly Knull, 5 Star Propane Ltd. for a 23,200 gallon propane storage vessel, subject to the following conditions:

1. Approval is granted based on the information provided by the applicant for the approved development only and no other development.

2. The approved development, a 23,200 gallon propane storage vessel, shall be located as shown on the approved site plan.
3. The propane tank must be stored at least six (6) metres from any flammable combustible liquids in aboveground tanks.
4. The propane tank must be protected from traffic by bollards or jersey barriers and not be placed under power lines.
5. The site shall be maintained in a neat and orderly manner including the containment of all construction materials and refuse, to the satisfaction of the Development Authority.
6. The applicant/landowner shall provide firefighting access at all times to the satisfaction of Leduc County Fire Services.
7. The approach must be maintained to avoid any damage to the County owned road surface due to construction activity. A post development inspection will be conducted and the applicant/land owner must rectify any damage to the approach or County roadway.
8. The movement of construction material onto the property may require the applicant to enter into a Road Use Agreement with the County. The applicant must contact Public Works and Engineering prior to the movement of construction material to discuss this requirement.
9. The development shall not cause any adverse drainage impact on adjacent properties or flooding of nearby ditches in excess of their capabilities.
10. The development shall accord with Alberta Transportation Roadside Development Permit No.: RSD P021248.
11. All new accesses, approaches or upgrades, including driveways required off of a Leduc County public roadway as a result of the development shall first require an Access Application to be provided to the satisfaction of, and approved by Leduc County Public Works and Engineering.
12. No further development, expansion or change in use is permitted unless approved by Leduc County.
