## UTILITY FEES AND CHARGES

### Part 1 - Fees and Charges for Water Services continued

2. Where water services to a user have been shut-off, disconnected or discontinued, the user shall continue, for the duration of the shut-off, disconnection or discontinuance of service, to be obligated to pay all applicable non-consumption related rates, fees and charges set out in this Bylaw, or the Water Services Bylaw, including, without restriction, all applicable fixed charges for water services.

3. In this section (Part 1),

(1) "Private Fire Hydrant Visual Inspection" means a mandatory visual inspection conducted by the County on a fire hydrant on private property within the Service Area in the spring and fall of each year; service includes a hydrant pump out in the fall, but excludes hydrant operation.

(2) "Service Request" means a request by a User for an optional service that provides a direct benefit to the User exclusively.

(3) "Special Read" means a meter read that is outside the regularly scheduled billing cycle, including a requested re-read, final read, or smart meter data download.

5. For greater certainty, the above referenced fixed charge (service charge) for wastewater services shall be based upon the size of the water meter associated with the user or property in question, and the above referenced consumption rate (uniform rate) shall be based upon the quantity of treated water delivered to the user.

6. Where wastewater services to a user have been shut-off, disconnected or discontinued, the user shall continue, for the duration of the shut-off, disconnection or discontinuance of service, to be obligated to pay all applicable non-consumption related rates, fees and charges set out in this Bylaw, or the Wastewater Services Bylaw, including, without restriction, all applicable fixed charges for wastewater services.

## UTILITY FEES AND CHARGES

### Part 2 - Fees and Charges for Wastewater Services continued

7. If a wastewater main is available in front of a Nisku Industrial Park property and the property is not connected to the wastewater main as described in the Wastewater Services Bylaw, the owner of such property shall be obligated to pay all applicable related rates, fees and charges set out in this Bylaw, or the Wastewater Services Bylaw, including, without restriction, all applicable fixed charges and consumption charges for wastewater services.

8. In this section (Part 2),

(1) Service Request means a request by a User for an optional service that provides a direct benefit to the User exclusively.

(2) Axle means the drive axle of a truck that hauls Wastewater. A maximum of two axles will be charged per truck load.

### Over Strength Surcharge and Additional Over Strength Surcharge

9. In this Section,

(a) "Additional Over Strength Surcharge" has the same meaning as in the Wastewater Services Bylaw;

(b) "Additional Over Strength Concentration Limit" means the concentration limit, in mg/L, of a Substance set out in Column B of Schedule "C" of the Wastewater Services Bylaw;

(c) "Additional Over Strength Surcharge Mass" means the mass, in kg, of a Substance, to which the Additional Over Strength Surcharge specified in this Section is applied, which mass is determined by applying the following formula:

Additional Over Strength Surcharge Mass = ((Measured Substance Concentration — Additional Over Strength Concentration Limit) x Water Volume) x 1,000,000 (to convert mg to kg);

(d) "Substance" means a substance identified in Schedule "C" of the Wastewater Services Bylaw

(e) "Over Strength Concentration Limit" means the concentration limit, in mg/L, of a Substance set out in Column A of Schedule "C" of the Wastewater Services Bylaw;

(f) "Over Strength Surcharge" has the same meaning as in the Wastewater Services Bylaw;

(g) "Over Strength Surcharge Mass" means the mass, in kg, of a Substance, to which the Over Strength Surcharge specified in this Section is applied, which mass is determined by applying the following formula:

Over Strength Surcharge Mass = ((Measured Substance Concentration — Over Strength Concentration Limit) x Water Volume) x 1,000,000 (to convert mg to kg)

(h) "Measured Substance Concentration" means the concentration, in mg/L, of a Substance found in Wastewater discharged, by the User, into the Wastewater System; and

(i) "Water Volume" means the volume of treated water delivered to, or consumed by, the User, during the preceding year, determined in accordance with the Wastewater Services Bylaw.

(1) The following Over Strength Surcharges and Additional Over Strength Surcharges are hereby established.
