- d) This Agreement may be amended by mutual consent of both parties unless specified otherwise in this Agreement.
- e) Amended copies of this Agreement shall come into force on the passing of bylaws by both municipalities.
- f) Amended versions to this Agreement shall supersede and replace all previous versions of this Agreement.

5. Intermunicipal Collaboration Committee

- a) Leduc County and the Summer Village of Itaska Beach agree to create a recommending body known as the Inter-municipal Committee (hereinafter referred to as the Committee).
- b) The Committee will meet on an as required basis and will develop recommendations to the Councils on all matters of strategic direction and cooperation affecting County residents, except matters where other current operating structures and mechanisms are operating successfully.
- c) The Committee shall consist of four members, being two members of Council from each municipality.
- d) The Chief Administrative Officers will be the advisory staff to the Committee and responsible to develop agendas and recommendations on all matters. They will be responsible for forwarding all recommendations from the Committee to their respective Councils.
- e) The Committee will promote a consistent and shared flow of information from intermunicipal meetings from a set of common notes that will be established. The common notes will be confidential and regarded as privileged until released by consent of the Committee.
- f) Parties will give 30 calendar days of a notice for a meeting. Meeting requests will be directed to the Chief Administrative Officer for the respective municipality.
- g) "Services" or "In scope services" to be considered in this agreement for potential future joint-cost sharing or management include provisions under:
 - i. Emergency Management
 - ii. Recreation
 - iii. Solid Waste Management
 - iv. Transportation
 - v. Water and Wastewater Management
 - vi. Other services that benefit residents

6. Future Projects, Shared Services, and Agreements

- a) The Intermunicipal Committee will be the forum used to review and negotiate the terms of future intermunicipal arrangements between the partner municipalities including mutual aid, shared management or joint-use, and cost sharing agreements.
- b) A proposed list of future service projects or initiatives to be explored by the Committee are included in Appendix A of this Agreement. This list may be updated from time to time as agreed to by the Committee.
- c) When either municipality seeks to pursue a new project and/or initiative with the other party, the initiating Chief Administrative Officer, or designate, will notify the other Chief Administrative Officer, or designate. The initial written notification should include a general description of the project, available cost estimates, and timing of expenditures.
- d) An Intermunicipal Committee meeting must be held within 30 calendar days, unless both Chief Administrative Officers agree otherwise. Subsequent meetings may be scheduled, as needed.
- e) The following criteria may be used by the Committee to assess the desirability of participating and funding new intermunicipal initiatives:
 - i. The nature of the project;
 - ii. The level of community support including the demonstrated effort by volunteers to raise funds and

- obtain grants, if applicable;
 - iii. Relationship of a proposed capital project to the Intermunicipal Development Plan, or any other regional long-term planning document prepared by the municipalities;
 - iv. The projected costs (e.g. capital and operating) for new capital projects;
 - v. Projected utilization by residents of both municipalities; and
 - vi. Municipal debt limit.
- f) The Committee will provide a recommendation for approval to the councils of the partner municipalities.
- g) Where a Committee recommendation for cost sharing, joint-use or shared management agreement on any of the items identified as "in scope services" is accepted by both municipalities, a service agreement shall be required to be developed on that specific item. When developing service agreements, the Committee shall:
- i. clearly identify which municipality will lead service delivery for the service(s) discussed.
 - ii. determine the appropriate funding for the service(s) discussed.
 - iii. set out a time frame for the delivery of the service(s) discussed including the start and end date of the service delivery.
 - iv. service delivery.
 - v. set out a process for discontinuing the service provided if one or both municipalities wish to discontinue in the service delivery.
- h) Any change to the shared services provided by the municipalities will include a schedule for implementation of the change. This will include the following:
- i. The start date that the change will take effect.
 - ii. A plan to phase out the existing service delivery and to initiate the new service delivery methods.
 - iii. A plan for the phasing in or out of cost sharing, or other arrangements.
 - iv. A review date to evaluate the efficiency of the shared service delivery and funding strategy.
- i) In the event that the Committee is unable to reach an agreement, the dispute shall be dealt with through the dispute resolution mechanisms outlined within Section 13 of this document.
- j) Both municipalities recognize that the decision to participate in or not participate in a project ultimately lies with the respective municipal councils, who in turn must rely on the support of the electorate to support the project and any borrowing that could be required.

7. The Role of Council and Administration

- a) Each Council retains the ability and responsibility to make decisions on behalf of their residents. By signing on to the Framework each Council is affirming a commitment to increased collaboration, cooperation, and to provide direction to their administration and the public for the importance of increased communication at all levels of the organization.
- b) Administration, through the direction of each Chief Administrative Officer, will be the mechanism through which the Framework is formalized, maintained, delivered, and made durable.
- i. Administration will be responsible to ensure the requirements of the Framework are carried out operationally and can initiate communication on an as needed basis.
 - ii. Municipal counterparts will work together to address issues that arise within the scope of their authority and mandate; and be accountable for informing the appropriate levels of authority about matters that require attention for the mutual benefit of the municipalities.

8. Overview of Municipal Services

- a) Leduc County and the Summer Village of Itaska Beach have both reviewed the services offered to residents.
- b) Based on the review it has been determined that each party desires to continue to provide services through the various arrangements that are in place municipally, with their current respective municipal partners, and third-party bodies.
- c) The listings on the following pages indicate which services are provided independently by a municipality, inter-municipally, or indirectly to residents and ratepayers in each municipality party to this agreement.

“Municipal Provision” refers to municipal services provided directly by a municipality to residents and ratepayers. This includes services where the municipality has direct control over the service contract along with the authority to directly hire contractors to perform services or address a civic function on behalf of the municipality.

“Intermunicipal Provision” refers to municipal services provided through a shared or joint agreement with another municipality to residents and ratepayers. This includes services where a formal or an informal arrangement with another municipality is in place to access, administer, or deliver a civic service or function.

“Third-Party Provision” refers to municipal services provided through an agreement with a non-municipal independent entity. This refers to those services that are offered through regional agencies, boards, commissions, and current or former publicly-owned corporations (also known as crown or government-owned corporations that manage major infrastructure and associated services) in a region.
