OP-05 Signage

Road Construction Signage

That when County forces undertake any type of road construction such as fogging applications and cold mix, area residents be given at least one week's prior notice (roadside signs).

PWC Motion No. 441-03

Traffic Control Advisory Signage – Stop/Yield Signage

That for situations where there is a removal of stop/yield signage and/or change of direction in stop/yield sign placements at an intersection, as authorized by Council, the traffic control change advisory signage be placed in advance of the intersection from all directions leading to that intersection for a period of 21 days to advise the traffic of the change.

Motion No. 1355-94

Installation of Rural Crime Watch Signs

To install the Rural Crime Watch signs on County Secondary Highways, Main and Local roads with the understanding that the signs will be provided by the Rural Crime Watch organizations and additionally, that the locations of the signs will be determined by the Public Works department in consultation with the Rural Crime organizations.

Motion No. 610-95 MC

Hunting/Discharge of Firearms – County Owned Lands

That “No Hunting/Shooting” signs may be posted on County owned parcel(s) as identified by the Council Member based on concern(s) received from adjacent landowners(s).

Motion No. 1005-97

Reward for Defacement, Impairment, Destruction and Removal of Signs

That the Public Works Committee approves of raising the reward for defacement, impairment, destruction and removal of Leduc County signs to \$500.

Motion No. 215-02
