

Parking rules in Leduc County

Leduc County's Traffic Bylaw – which is detailed at [leduc-county.com/traffic](https://www.leduc-county.com/traffic) – regulates the use of all local roadways in Leduc County.

Below is some information about parking regulations. Our peace officers continue to enforce the Traffic Bylaw and violations can result in fines and other penalties.

Call the Enforcement Services complaint line at **780-955-5005** to report concerns.

Tracking material on a roadway

You are not allowed to operate a vehicle that tracks earth, sand, gravel or other material – including vehicle fluids – onto a roadway.

If a vehicle tracks material onto a roadway, the operator or registered owner of the vehicle may be fined and may be required to remove the material or be charged the clean-up fees to do so.

Parking

Trailers

You cannot park a trailer on a roadway unless it is attached to a vehicle by which it may be propelled or drawn.

Dumpsters

You cannot park a dumpster on a public roadway. Dumpsters and other garbage receptacles must stay on the property they are being used at.

Heavy vehicles

You cannot park a heavy vehicle in a location adjoining residential property, except for commercial vehicles with hazard warning lamps on and in the process of loading or unloading goods, or construction equipment being used during construction or improvement of property, provided the equipment is parked adjacent to the property where the work is being done.

Heavy vehicles are vehicles, or vehicles with a trailer attached, with a gross weight or gross registered weight of 16,400 kilograms or more with or without a load, or that exceed 12.5 metres in overall length.

Recreational vehicles

You cannot park a recreational vehicle on a roadway unless the location completely adjoins your residence; this is only allowed between May 1 and Oct. 15.

Vehicles parked adjoining to an owner's residence cannot be parked for more than 72 hours consecutively and must be moved to an off-roadway location for at least 48 hours before being parked on a roadway again.

You are not allowed to occupy a recreational vehicle parked on a roadway.

Recreational vehicles are vehicles designed to provide temporary living accommodation for travel, vacation or recreational use and to be driven, towed or transported, such as a motor home, tent trailer or any bus converted to provide temporary living accommodations.
